## Product Details

- 2" Post Holder Plus Slotted Base
- Two Options for Our Most Popular Slotted Bases

TECHSPEC® Post Holder Assemblies provide a quick-change mount for all 0.50"(12.7mm) diameter Posts. These post holders are a popular combination of our 2" Post Holder ([#58-978](#)) and slotted Base Plates provide a quick-change mount for all 0.50"(12.7mm) diameter Posts. Mounts to any table or plate with ¼" mounting slots on 1" centers. Option A includes Base Plate [#03-655](#), and Option B includes Base Plate [#52-083](#). TECHSPEC® Post Holder Assemblies with base plate options allow different directional movement. They offer flexibility in side-to-side or forward-to-back positioning in benchtop assemblies.

**Note:** Post not included.
